

FROM ROUNDABOUT TO ROUNDABOUT,
THE WHOLE MAIN STREET COMES
ALIVE TO THANK THE COMMUNITY
AND TO CELEBRATE THE CLOSING OF
PAIR'D MARGARET RIVER REGION!

IMPORTANT INFORMATION

The event site covers the length of the Margaret River Main Street from the bottom roundabout at Tunbridge Street to the top roundabout at Wallcliffe Road.

From 11am until 9pm, the event site will be closed to traffic but will be open to pedestrians. Businesses will be open as usual!

From 6am to 11am, parking bays on the Main Street will start to close off so the event site is clear of cars. Parking will remain available on adjacent streets.

PARKING

Parking is available in surrounding streets but please be considerate of your neighbours and park in designated parking bays only. There is also nearby parking at the Recreation Centre, Football Oval and Lions Park which is a short stroll away.

We encourage wherever possible to walk, ride, skate or scoot your way to the street party.

Please respect the land that this event takes place on and help us reduce our footprint:

- BYO Water Bottle
- Look for our clearly marked waste stations
- Join our 'Leave No Trace' commitment
